Nanda Lankallapalli

Certified Scrum Trainer (CST)

With over 25 years of experience in allied fields, Nanda is the torchbearer of an Agile Consulting firm; he contributes a lot to Product Development. Additionally, he has served the organization in various capacities like Vice President, Director, Architect, Developer, Agile Coach, and Scrum Master.

He works with various firms in multiple countries like the USA, India, UAE, Singapore, South Korea, Hong Kong. He is a Certified Scrum Trainer (CST) with experience of conducting more than 200 workshops on CSM and trained over 10,000 professionals globally. He is the first approved "Path to CSP Educator" by Scrum Alliance in India to offer Advanced Scrum classes like Advanced CSM (A-CSM) and Certified Scrum Professional (CSP-SM). As a Software Architect, he helps organizations in achieving agility in product development.

Being a leadership coach (ICF-ACC), he offers coaching services to leaders and executives across various industries, helping them to realize their hidden potential. He is a source of inspiration, allowing people to see the bright side of life.
